1 Font Changes Inside Sentences

A paragraph with *italic walrus* words, *emphasized pelican* words, **bold narwhal** words, `typewriter octopus` words, underlined badger words and SMALL CAPS HERON words.

Nested shapes: ***bold emphasized lemur*** and *outer italic **inner bold marmot** outer tail*.

Declarations in groups: *declared italic ferret*, *old italic gecko*, **old bold jackal**, *old emph kestrel* and **declared bold mongoose** end here.

An italic environment with quokka and wombat inside it.

A bold environment holding an axolotl.

Split words: foo*bar*baz, un*believ*able, and a sentence that goes plain then *turns emphatic midway* and back to plain for the platypus.

1.1 Ligatures and Hyphens

The official efficient offline shuffle finds fluffy affluent waffles flowing in the fjord; difficult baffling ruffians scoff at the office traffic. Unquestionably incomprehensibilities characteristically overwhelm internationalization departments whenever extraordinarily uncharacteristically counterrevolutionaries misunderstand electroencephalographically photolithographic establishments during representational indistinguishability reviews, notwithstanding institutionalization.

1.2 Accents, Escapes and Punctuation

Café naïve résumé ça Straße coöperate Über señor. Profits rose 50% & costs fell; the #1 item cost $5 in the _underscore_ aisle. Pages 10–20, an aside—like this—and “double quoted” plus ‘single quoted’ text. Mr. Smith met Dr. Jones at 5 pm near Prof. Xavier. It costs e.g. ten dollars; see Fig. 3 and Table 2 in §4.

2 Footnotes and Links

Here is a sentence with a footnote.[1] Visit the example homepage or `https://example.org` for more, or email our helpdesk.

An italic note that links to a gazette and then carries on about a wildebeest. Old italic with `https://example.com` and a manatee. Wrapped prose citing (a journal) about a pangolin.

[1] The footnote holds a capybara.

3 Lists

- Plain item about a chinchilla.
- Item with **bold alpaca** inside.
- *Entirely emphasized item about a tapir.*
- Item spanning a long line so that it wraps across several lines in the output, mentioning a salamander somewhere near the end of it all.

1. First numbered hedgehog.
2. Second numbered porcupine with *an italic tail*.

Aardvark Describes an aardvark.

Bold Label Describes a bold label.

4 Tables

Left cell	**Center bold**	Right cell
Emph cell	*Shape cell*	42 units

5 Macros

Chief Llama Officer at *Globex Industries* since 2020. We sell Widgets to Initech Corporation customers.

Resume Style Heading *Springfield, Oregon*
Principal Yak Shaver 2014 – 2019
Staff Iguana Wrangler @ Umbrella Labs 1/2020 – 6/2022

6 Math

Inline math $x^2 + y^2 = z^2$ sits among words, and $\alpha + \beta$ too.

$$E = mc^2$$

Afterwards a closing paragraph mentions a quetzal.
